

First Workshop WP5-CAENTI

CAENTI

**Coordination Action of the European
Network of Territorial Intelligence**

UNIVERSIDAD DE HUELVA

Huelva
Friday 5th May 2006

<http://www.territorial-intelligence.org>

Workshop objective

This first meeting has a twofold objective: on one hand to establish the working group and on the other hand to arrange assignments and other tasks to fulfil the first year objective, that is, to develop a catalogue of Territorial Intelligence Research by associated Universities —understanding Territorial Intelligence as it is defined within the project. The catalogue will include main research features and the most significant scientific and social results achieved. A draft questionnaire to gather and analyse the information will be proposed. One of the workshop's results will be to discuss this draft questionnaire and develop a final questionnaire to be fulfilled afterwards by all participants. WP5 planning and timing will be established in order to present results in the Alba Iulia Conference.

Participants

#	Participant Organisation Name	Short name	Country	Name	E-mail
1	Université de Franche-Comté Maison des Sciences de l'Homme "Claude Nicolas Ledoux"	UFC	France	Jean-Jacques GIRARDOT	jjg@msh.univ-fcomte.fr

Travelling to and from Huelva

In next pages you can find trains and buses schedules of the itineraries Madrid-Seville-Huelva and Huelva-Seville-Madrid.

In Seville, taxi is the only mean to arrive to the city from the airport. Depending on the traffic, going from Santa Justa Train Station to Plaza de Armas Bus Station could take from 20 to 40 minutes by taxi.
